- (B12121) The Lemon Tree 1 Sandy Tolan Bloomsbury 2006  
The Lemon Tree - winner of adult nonfiction, 2006  
In 1967, Bashir Khairi, a 25 year-old Palestinian, journeyed to Israel with the goal of seeing the beloved old stone house with the lemon tree behind it that he and his family had fled 19 years earlier. To his surprise, when he found the house he was greeted by Dalia Eshkenazie Landau, 19 year-old Israeli college student, whose family had fled Europe for Israel following the Holocaust. On the stoop of their shared home, Dalia and Bashir began a rare friendship, forged in the aftermath of war and tested over the next 35 years in ways that neither could imagine on that summer day in 1967.  
Sandy Tolan brings the Israeli-Palestinian conflict down to its most human level, suggesting that even amid the bleakest political realities there exist stories of hope and reconciliation.
