Faithful Living, Faithful Giving

October 31, 2011

NAME(S)
ADDRESS
CITY, STATE ZIP

Dear NAME(S),

I'm writing as part of First Presbyterian Church's Faithful Living, Faithful Giving stewardship campaign. With Commitment Sunday — Nov. 13, 2011 — less than two weeks away, I'd like to remind you of a couple of things:

- There will be only one worship service at 10:15 a.m. that day so that we can all celebrate together.
- You may still reserve your seats at that Sunday's celebration lunch, catered by Zuppas. Just complete a reservation card during worship on Sunday, Nov. 6, or call the church office at (920) 725-4391.

As mentioned in the letter you received in mid October, we are asking you to prayerfully consider increasing your giving in 2012. Specifically, you're encouraged to consider a "Hoped for Gift" range determined by your 2011 pledge.

The "Hoped for Gift" offers an opportunity for you to grow in faith and generosity. **We hope you will pray and consider a gift of \$XX.XX to \$XX.XX per week during 2012** to support First Presbyterian's ministry and mission.

You'll find a 2012 commitment card and return envelope enclosed. Please complete the card and bring it with you to church on Nov. 13.

Know that your pledge, no matter its amount, makes a difference in our church and in our world. Your gifts change the course of lives. We deeply appreciate your faith and your support of God's good work through First Presbyterian Church.

Sincerely,

Richard Moore
